

Designer Profile

FRAUENSCHUH

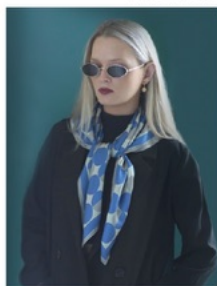

Frauenschuhs philosophy is deeply rooted in family tradition, blending heritage with modern innovation. The new winter collection reflects a harmony with nature, using quality materials that age gracefully and designs that withstand time. Every piece embodies versatility, effortlessly transitioning from alpine terrains to urban environments.

LILAR PARIS

Lilar is a Paris-based couture house dedicated to creating exquisite gowns and suits for every special occasion. Founded by designer Sandrine Rocher Derichebourg, the label draws inspiration from love, roses, and French elegance, beautifully embodied in its new collection, Allegories. Featuring romantic lines, intricate embellishments, and sophisticated tailoring, each piece exudes timeless beauty. Explore lilar-paris.com and @lilar_paris on Instagram.

LU REN

Where sophistication meets effortless elegance, LU REN seamlessly weaves together the luxurious threads of cashmere and silk, all enveloped in an aura of femininity. With each collection, they celebrate the unique personality of every woman, offering stylish garments that reflect the essence of individuality. The brand's unique signature blend of cashmere and silk boasts outstanding characteristics: extreme softness, lightweight texture, and durable comfort.
